Fellow's Compound Syrup of Hypophosphites.

ST. JOHN, N. B.

Mr. James I. Fellows, Manufacturing Chemist. Sir.—For several months past I have used your Compound Syrup of Hypophosphites in the treatment of incipient Phthisis, Chronic Bronchitis, and other affections of the chest; and I have no hesitation in stating that it ranks foremost amongst the remedies used in those diseases. Being an excellent nervous tonic, it exerts a direct influence on the nervous system; and through it, it invigorates the body.

It affords me much pleasure to recommend a remedy which is really good in cases for which it is intended, when so many advertised are worse than useless. I am, sir, yours truly,

A Happy Time.

The Aurora Herald, of Saturday last, has the following, and as the young lady is well and favorably known in Reno, we publish it:

Last Sunday evening, after the marriage of C. Novacovich and Miss Poor, when the happy couple had started on their bridal tour, the wine and other good things were spread out for everybody to participate in, and a real happy time was had by the numerous friends of Mr. and Mrs. Novacovich in drinking long life, health and happiness to them on their voyage through life. Of the amount of wine opened on that occasion there is no record, but from the departure of the young couple until twelve o'clock Monday night the festivities never flagged. In fact the whole town joined in, and if the wedding is not marked as an epoch in the lives of many participants it is not Mr. Novacovich's fault or oversight.

The Carson Guard.

The Carson papers construe this sentence in the JOURNAL, "Each of the three companies ought to have had a prize, in our opinion," as a declaration that the prize in the military tournament was not properly awarded. A very liberal construction! The Carson Guard was justly entitled to the $150 and gold medal but that fact does not stifle the belief that the two other companies were not deserving of a premium.

Winnemucca Fair.

The Winnemucca Fair commences today and continues until Saturday. The speed programme is a good one, and the sport promises to be unusually good. We hope the Fair will be a success in every respect.

Hay in abundance is to be had in the neighborhood of the Sink of Carson, in Churchill county, at $7 per ton. Work cattle are being sent from Austin to Churchill to be fed on hay during the Winter.

Winchel & Cuningham have moved into their new store, where they will be pleased to see all old customers, and make new friends. Their stock will always be fresh, and sold as low as any place.

A meeting of the stockholders and trustees of the Highland Ditch Co. is called for Oct. 28, at 2 o'clock, at the office of Pierce Evans to transact certain business. See adv.

Mr. C. C. Stevenson and J. C. Corey, of the Agricultural Society returned to their homes yesterday. They greatly need a rest for a few days.

Irvin Ayres has just sold to Al. Longley 241 head of cattle for $4,820.

Judge Harris was in town yesterday.

Grand Jury Report.

The Grand Jury yesterday submitted the following report and were discharged: To his Honor S. D. King, Judge of the Second Judicial District.

We your Grand Jury have the honor to make the following report.

We have found one true bill for forgery; one true bill for cheating; one true bill for attempt to bribe an officer, and have ignored 5 complaints.

WHEREAS, It has come to the knowledge of the Grand Jury that illegitimate games, are being conducted on the public streets and thoroughfares of the incorated town of Reno, and that drunken Indians are permitted to roam the streets at will, during the night, disturbing the peace and quietude of the town; and also that stove pipes are still in use contrary to the Ordinances. Now therefore the Grand Jury recommend that the County Commissoners take such steps as lay within their power to enforce the incorporate enactments of the town, so that the above evils be corrected. No further business appearing we ask to be discharged.

Respectfully submitted,

J. C. HAGERMAN, Foreman.

Elko Mineral Soap.

About three years ago there was discovered, near Elko, a deposit of a peculiar character, which upon being tested proved to possess remarkable detersive qualities. Analysis of the material showed that it was composed of many of the constituents used in the manufacture of the soap of commerce. Within the past six months the "soap mine" has been worked by an incorporated company and the product utilized in the manufacture of merchantile soap. We, yesterday received a call from E. A. Littlefield, of the Elko Post, who left some samples of this useful article, which proves upon test to be all that the manufacturers claim for it. The company are now making and shipping from Elko about a ton of soap per day, but this will be increased to ten tons within a few weeks. Its cost is about the same as that of inferior brands of soap, which it will supercede in due course of time.

Accident.

As the friends of the old lady who died Thursday night were returning from the cemetery on Saturday, they came very near furnishing material for a first-class funeral. As a hack with four persons in it came down the hill that leads into the Long Valley road, the horses started to run. The driver seeing that he must turn up the hill or run into a board fence he chose the chances of making the turn. The hack slowed around and in an instant landed on its top. The inmates quickly scrambled out and wonderful to tell no one was seriously hurt. One man had a gash in his ear and one women had a badly bruised shoulder. All were pretty badly frightened and astonished to find themselves so near whole.

To Return The Compliment.

The Carson papers declare that in return for the liberal patronage bestowed during the State Fair by Carson people that Reno should be well represented at their races, which commence to-morrow. We know that all will attend who can. Reno has always stood in with the Capital. We call to mind when Reno gave way to Carson on a certain 4th of July, by which Carson reaped substantial advantage.

For Grant.

During Fair week one of our local politicians interviewed the prominent Republicans he met as to their choice for President, and found that more than two-thirds were for Grant including Gov. Kinkead, Controller Hallock, Judge Hawley, Judge Leonard, Farmer Treadway, Secretary of State Babcock, Postmaster Adkison, Geo. I. Lammon, Col. Pete Canavan, Hon. C. Derby and many other notables.

Indian Trader.

Mr. E. Griswold, of Wadsworth, has been appointed trader for the Pyramid Lake Indian Reservation. Mr. Griswold will perform the duties thereof to the satisfaction of the Department and his friends.

The Drummer Law.

The "Drummers" intend to contest the validity of the "drummer law," and are making up a case to take before U. S. Judge Stephen J. Field.

Stocks Up.

The north end stocks bounced up yesterday. Union touched 100 and Sierra Nevada 74. We sincerely hope that the price is indicative of a bonanza in those mines.

Better.

Orrin Ross was up from home yesterday, and informed us that his little girl, the one which fell from the Grand Stand last Saturday, was improving.

Scarlet Fever.

Frank Bell's two youngest children have been sick for the past week with the scarlet fever. They are now getting along nicely.

An assessment of $1 was yesterday levied on Jacket.

Kissed Into Convulsions.

Quite a stir was created on the down 2:30 train on Saturday afternoon by a young couple who were bound for Reno, says Monday's Chronicle. The young man was very attentive to the girl, holding her in his arms and kissing her constantly. This caused some merriment among the passengers. When near the Gold Hill depot the girl fainted away and went into convulsions. A physician who was on the train went to her relief and pronounced the opinion that she was poisoned. She suffered terrible agony, and at Gold Hill the man took her off the train and sent for a carriage. He declined to tell his name, and the girl would answer no questions. They had tickets for Reno.

YOUNG MEN

WHO MAY BE SUFFERING FROM THE effects of youthful follies or indiscretion will do well to avail themselves of this, the greatest boon ever laid at the altar of suffering humanity. DR. SPINNEY will guarantee to forfeit $500 for every case of Seminal weakness or private disease of any kind or character which he undertakes and fails to cure.

MIDDLED-AGED MEN.

There are many at the age of thirty to sixty who are troubled with too frequent evacuation of the bladder, often accompanied by a slight smarting or burning sensation, and a weakening of the system in a manner the patient cannot account for. On examining the urinary deposits a ropy sediment will often be found and sometimes small particles of albumen will appear, or the color will be of a thin milkish hue, again changing to a dark and turpid appearance. There are many men who die of this difficulty ignorant of the cause, which is the second stage of seminal weakness. Dr. S. will guarantee a perfect cure in all such cases, and a healthy restoration of the genito urinary organs.
